

## Data sheet

Commercial Art.No.: 70.352.2435.0

hood BAS GOT GC 24 M25 A0

Hood revos basic made of aluminum, for double locking lever or. screw cap with cable gland M25 on the top (IP54), low version, 24-poles

certificates / approvals

## Technical data

### general

|                                                          |                     |
|----------------------------------------------------------|---------------------|
| housing material                                         | aluminum            |
| color                                                    | grey                |
| surface                                                  | with powder coating |
| degree of protection (IP)                                | IP54                |
| UV resistant                                             | yes                 |
| flammability class of insulation material acc. with UL94 | other               |
| operating temperature range min.                         | -40 °C              |
| operating temperature range max.                         | 120 °C              |

### model

|                        |                       |
|------------------------|-----------------------|
| construction           | 24                    |
| model of the housing   | male                  |
| locking mechanism      | double locking levers |
| cable entry            | above                 |
| type of cable          | gland nut             |
| with cable screw gland | yes                   |
| thread size M          | 25                    |
| thread size PG         |                       |
| hinged lid             | no                    |
| EMC-version            | no                    |
| length                 | 120 mm                |
| width                  | 57 mm                 |
| height                 | 70 mm                 |

### classification

|           |  |
|-----------|--|
| ECLASS 11 |  |
|-----------|--|

|            |          |
|------------|----------|
